

# SAFELY SURRENDERED BABY LAW PUBLIC EDUCATION MATERIALS

## ORDER FORM

You can help us spread the word about the Safely Surrendered Baby Law by ordering additional posters, wallet cards and brochures and distributing them to your constituencies and staff. We particularly encourage you to use the wallet cards for distribution to your clients and the general public. The brochures are intended as an educational tool for service providers and other organizational professionals.

Additional materials are available for purchase. If you wish to place an order, fill out the form below and mail it to Ink Impressions, 1117 West Ninth Street, Upland, CA 91786, with payment attached. Orders received without payment will not be filled. **All checks should be made out to First 5 LA.** For inquiries about ordering Safely Surrendered Baby Law materials, call (800) 995-0521.
